PTO Pulse: A Recap of Unforgettable Events

The first half of the school year for uKnighthed has been nothing short of fabulous, marked by a vibrant array of events that brought the school community together. Back to School Night kicked off the festivities, setting the stage for the warmth of Grandparents Day and the camaraderie fostered during Middle & High School welcome lunches. Homecoming added a touch of excitement with DJ Marky Mark and a 360 Photo Booth. The Sunshine Committee, Smile Squad, Harvest Helpers and Carolers continued to spread joy throughout the school. The Spirit "Knights" embodied the school pride, while The Veterans Day Breakfast, Sweeten the Season and Knights Prayer Warriors exemplified the community's generosity and compassion. TAG Days that give back highlighted the commitment to service, the BOO Basket Raffles and classroom celebrations became moments of shared accomplishments. Candy Cane Lane was the sweet culmination of a successful first half of the school year.

The uKnighthed board and volunteers are eagerly anticipating what the second half holds for our school community!
